New Coach with New Ideas

WILLIAM F. "BILL" BARNES

Meet the Coach

WILLIAM F. "BILL" BARNES
Head UCLA Football Coach

ONE of the newest members of the nation's big-time collegiate football coaching ranks is UCLA's William F. "Bill" Barnes, who actually has been a head coach seven-tenths of a season already.

Bill, who came to UCLA in 1950 as end coach and head scout, took over for ailing George Dickerson after the third game of the 1958 Bruin season and carried on to compile a 2-4-1 win-loss-tie record as "acting head coach." Then in December of last year, Barnes was officially signed as head man to mentor UCLA football teams in the future.

Already Barnes is a great favorite with players, students, alumni and fans alike. His five-feet-nine-inches and 180 pounds do not instantly remind you that he played for Tennessee in the 1937 Cotton Bowl as wingback, in the '38 Orange Bowl as blocking back and the '39 Rose Bowl as end.

His dominant characteristic is quickness. He is quick in walk, talk and thought. His football philosophy is "Play 'em and forget 'em." He is much more willing to preview coming games and tackle opponents than to re-play old games.

He showed great ability by producing outstanding wingmen during his early tenure at UCLA. Some of his prize pupils included Myron Berliner, Ernie Stockert, Jim Steffen and All-Americans Rommie Loudd and Dick Wallen. Coaching as assistant under the late Red Sanders, Barnes also gained much fame as a football scout. Under Sanders he headed the Bruin scouting system, recognized as one of the shrewdest in the country.

Barnes was born Oct. 20, 1917, in Cape Girardeau, Mo., prepped at Central Memphis High School, where he was picked on the 1935 All-Southern high school all-star team. He then entered University of Tennessee as geology and geography major. He was graduated in 1941 with a degree of Bachelor of Science in Education.

He served in the Army (1942-46), and was discharged with rank of major. While in the service he was awarded the Legion of Merit, Silver Star and Bronze Star. In 1946, after leaving the Army, Barnes became end coach and scout for the University of Arkansas for four seasons. Coaching there was very pleasurable to Bill, because that is where he met his wife, the former Frances Tow.

Western sports experts generally acclaimed Barnes for an outstanding job done last fall under stress of an ill head coach and then loss of his top seniors midway in the year, because of Pacific Coast Conference penalties. With a stable situation to look forward to, Barnes feels strongly for a bright future for UCLA football teams.

The 1959 Bruins

RETURNING VETERANS — 19 returning lettermen from 1958, including three ends, six tackles, two guards, two centers, one blocking back (quarterback), two tailbacks (left halfbacks), one wingback (right halfback) and two fullbacks. Of these, eight are two-year lettermen. There are four major position changes: Senior Trusse Norris returned from left tackle, which he played most of last season, to right end, the position he played as a sophomore in 1957; Junior Jim Johnson from left end, which he played last year, to wingback; Junior Gene Gaines from fullback to wingback; and Junior Marv Luster from wingback to left end. Included are no less than 13 men who started games last year, topped by Fullback Ray Smith, who started nine of the 10 games; Center Harry Baldwin (7), left Tackle Jim Wallace (7), and left Guard Rod Cochran (5). Other part-time starters included Norris (3), right Tackle Paul Oglesby (3), Luster (2) and Gaines, right End Glen Almquist, right Tackle Tony Longo, left End John Pierovich, right Tackle Dean Betts and Tailback Bill Kilmer, all of whom started one game. Kilmer, who saw action in only four games because of a cracked wrist last year, looms as the most crowd-pleasing all-around triple-threat tailback since the great Paul Cameron. Ray Smith won second team All-Pacific Coast Conference honors for his tremendous fullback line-plunging, blocking and defensive halfback work. Skip Smith, a powerful and promising tailback, and Baldwin won honorable mention on the All-PCC team while Cochran was accorded the same honor on the UPI All-Coast outfit.

LOSSES—18 lettermen: 3 ends, 2 tackles, 4 guards, 2 centers, 2 blocking backs, 3 tailbacks and 2 wingbacks. This group includes All-America Tackle Bill Leeka; a tremendously inspirational captain and all-round performer in second team All-PCC and All-Coast End Jim Steffen; and possibly UCLA's greatest two-man passing combination in ex-All-America End Dick Wallen and Tailback Don Long. Other game starters included left End John Brown, Center Dick Butler, Wingback John Davis, Quarterback Steve Gertsman, right Guard Joe Harper, Tailback Chuck Kendall, left Guard Bob King, Wingback Phil Parslow, Quaterback Dave Peterson, left Guard Mike Riskas, left Guard Clint Whitfield and Tailback Kirk Wilson, the nation's No. 1 punter of the last three-year period.

PROMISING SOPHS—Of the 13 sophs up from the freshman ranks, 10 from last year and three from 1957, two linemen who impressed greatly in spring practice were right Guard Marshall Shirk and left Guard Frank Macari, 1958 Brubabe co-captains. Others who showed promise and could help are left Tackle Foster Andersen, who was moved from center; left End Don Vena and Fullback Joe Zeno, who was moved from tailback. Jim Stanley, a power-running fullback who missed spring drills because of a heel injury, also may help.

The 1959 Bruins

(Continued)

Two 1957 frosh returnees, Fullback Almose Thompson and Wingback Fred Zingler, are rated comers. But like all sophs, they face the big jump from frosh to varsity competition.

FROM "REDSHIRT" SQUAD—Three of the 11 returnees from last year's "Redshirt" squad were particularly impressive this spring. They were Tailback Bobby Smith, who was moved from wingback and was one of the off-season's drills most pleasant surprises with his all-round play and tremendous speed; right Tackle Chuck Hicks, another big surprise who looms as a coming standout; and left Guard Steve Bauwens, who looks like a hard-nosed interior lineman. Tailback Dean Moore, another comer, figures to give tailback fine depth with Kilmer, Skip Smith and Bobby Smith. Left End Gordon Hess, who was moved from tailback, also figures to develop. But here again, like other sophomores, the "Redshirters" have lots to learn.

JUNIOR COLLEGE TRANSFERS—Two unheralded JC transfers, Wingback Joe Rosenkrans and Center Carl Acosta, showed promise this spring and could help.

OFFENSE—UCLA again will employ the rugged Red Sanders balanced-line single wing attack, plus Coach Bill Barnes' "W-formation" spread (spread end and flanker wingback to "weak" side), which created a lot of consternation among Bruin football foes during the last half of the 1958 season and established tremendous enthusiasm among Western fans. This gives UCLA offense as much or more passing strength and more and tougher running power than most of the heralded T-formation spreads, splits and flankers.

PASSING—With the burden of the aerial game resting largely on the Bruin tailback, success in this department will depend on returnees "Wild Bill" Kilmer and rugged Nathan "Skip" Smith, a power runner with an untested arm. Yet to be tested under game fire are fleet Bobby Smith, a 9.9 sprinter and 23-foot broad jumper, and Dean Moore, a promising runner who broke his collarbone early last fall, both up from the "Redshirts." Kilmer and S. Smith had almost identical statistical records last fall although they are contrasting in grid styles. Kilmer, one of the most exciting, electrifying triple-threat men to hit the West Coast in several years, stole the fancy of the fans with his impromptu run patterns and passing that showed promise despite lack of experience and a cracked wrist for the part of the 1958 season he was able to compete. Mark Kilmer as tops at running the currently popular run-pass option plays. S. Smith, on the other hand, is the "horse-type" driver with good explosiveness that can hurt certain teams. His passing showed definite improvement this spring. B. Smith and Moore also flashed "passing" promise this spring. Last year, Kilmer completed 4 of 25 attempts for 93 yards, but had

The 1959 Bruins

(Continued)

no interceptions; S. Smith, 0 for 5 and had one interception.

RUNNING—Remember, this is the balanced-line single wing. The rushing is rugged, with plenty of double-team blocking in front of the ball carrier. Kilmer and S. Smith gained 195 and 197 yards respectively in 50 and 51 tries last fall. They ranked third and second among Bruin rushers. They should get a good job done in their own particular fashion although Kilmer may become the type who can break up a ball game quickly. B. Smith and Moore also showed solid running ability this spring, especially Smith who has tremendous speed. To go with Kilmer as the "meat-grinder" is Senior Fullback Ray Smith, who indicated in spring practice that he is better than ever and could be the best all-around fullback in UCLA history. This is saying plenty at a university that has developed the likes of Barry Billington and All-American Bob Davenport in recent years. R. Smith topped Bruin rushers last year with 307 yards in 79 carries for a 3.89 average—and was never thrown for a loss! The two new wingbacks, Gene Gaines and Jim Johnson, a couple of speed-burners, should be fine reverse runners — and dangerous pass receivers, too.

THE LINE — Of moderate size, but with improved speed, depth and strength. With only two experienced guards back, Rod Cochran and Jack Metcalf, it is imperative that such sophs as Marshall Shirk, Frank Macari and Steve Bauwens come through here. Key veterans up front are Center Harry Baldwin, Guards Cochran and Metcalf, Tackles Tony Longo, Jim Wallace and Paul Oglesby and Ends Marv Luster, Truese Norris, John Pierovich and Glen Almquist. But come-through performances by newcomers are a "must" from end to end.

THE OUTLOOK — Coach Bill Barnes is "cautiously optimistic." He says, "We should have an improved team of average size with better overall speed, better linebacking and generally better defense. We also play a tougher schedule, which includes meetings in Los Angeles with the bowl teams of California, U.S. Air Force Academy and Syracuse, to say nothing of tough intersectionals with Purdue, Pittsburgh, North Carolina State and Utah." Barnes plans to keep opponents loose with his "W-formation" single wing split ends and flankers, along with his rock-sock balanced-line single wing attack. No longer handicapped by five-game seniors, Barnes also feels that the coaching staff can plan ahead better during the season instead of being forced to juggle manpower as in the past three seasons. In general, the UCLA situation is definitely brightening up. The same Bruin team spirit is there, too, as evidenced during last fall's topsy-turvy season and again this spring when he was especially pleased with the way the Bruins were hitting.

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Senior Assistant

Midway through last season, Deke Brackett moved up to senior assistant coach under his long-time friend and football associate, Bill Barnes. Deke came to UCLA at the same time (1950) and from the same place (University of Arkansas) as Barnes. In fact, both were at Arkansas for the same four-year period (1946-49). Deke served there as backfield coach and also head baseball coach.

And so Brackett is now in his 10th season at UCLA where he's turned in a great job working with the backs. As the senior aide, the popular Deke has additional staff work and close relationship with the players besides his coaching duties.

After prepping at Knoxville (Tenn.) High, he entered Tennessee in 1930 and won honorable mention on the late Grantland Rice's 1931-32-33 All-American teams as a quarterback. The 1931-32 Vol teams were undefeated. He graduated in 1934 after serving as student body president during his senior year. Deke then worked as assistant coach at his alma mater before moving on to The Citadel in Charleston, S.C., for two years (1937-38) as assistant coach and head baseball coach. He then moved to Hampden-Sydney College in Virginia for two years in the same capacity. After a four-year stint in the Navy (1942-46), from which he was discharged as a lieutenant commander, he was signed by Arkansas.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 18, and Sallye, 11.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Assistant

It wasn't too many years back that Johnny Johnson was the youngest in point of service on the Bruin coaching staff. Now he's second in line among the assistants in years of experience, having moved up to the varsity staff last year after serving eight seasons (1950-57) as the highly-respected head frosh coach.

He did a fine job with the backfield last year and will continue in this capacity again this season. As the frosh coach, Johnson did an outstanding job of whipping the manpower-shy Brubabes into a winning outfit. His 1955 Brubabes were the first and only undefeated and untied yearling eleven in UCLA history.

After prepping at Bakersfield (Calif.) High in 1936-38, where he won All-San Joaquin Valley honors as a back, he came to UCLA and captained the 1939 frosh club. He then missed a year of competition but returned as a Bruin fullback in 1941. In the Naval Air Corps from 1942-46, he was discharged as a lieutenant. He returned to campus in 1946 and played on the PCC championship and Rose Bowl team of that season as a fullback.

Johnny is still a very eligible bachelor.

SAM BOGHOSIAN—(UCLA '55)
Assistant

In his third year on UCLA's varsity staff, Sam is now the head line coach. He brings the same aggressiveness and spirit into his coaching as he did when he was starring as a guard on the great Bruin teams of 1952-53-54 which lost only three games while winning 25 under the late Red Sanders.

Yes, it was only five years ago that Sam was an All-Coast guard on UCLA's undefeated and untied PCC and National championship team of 1954. He then served as an assistant frosh coach for two years (1955-56) at his alma mater. He caught Sanders' eye with his coaching ability and was named to the varsity staff when Jim Myers resigned to become head coach at Iowa State.

After prepping at Fresno (Calif.) High where he was an All-City lineman for two years and also won All-Northern California honors, he came to UCLA and went on to more stardom (1951-54) in both football and Rugby.

Just 27, Sam is a young coach with a fine future. He's been happily married to the former Judy Busch for two years now.

ROBERT L. "BOB" BERGDAHL—(UCLA '57)
Assistant

Bob Bergdahl moves up to the varsity staff after serving one season (1958) as the head frosh coach. He'll work with the ends and also head the scouting staff this fall. In 1957, Bob was an assistant frosh coach under Johnny Johnson and did such a fine job that he was signed as Brubabe boss when Johnson was elevated to the varsity staff last season.

Bergdahl is rated one of UCLA's all-time top blocking backs (quarterback) under the late Red Sanders. Following a good frosh season in 1953 when he was elected honorary Brubabe captain, he spelled the great Terry Debay at blocking back on the 1954 National championship team. He was the starter at this spot the next two seasons (1955-56) and won All-Coast honorable mention. As a senior, he also won the N. N. Sugarman Trophy for the "best spirit and scholarship" among the 1956 Bruins. He also starred in Rugby for four years at UCLA.

Bob prepped at Fairfax High in Los Angeles where he starred in both football and track, winning All-Western League grid honors in his senior year.

His father, Len Bergdahl, was a great UCLA quarterback for Bill Spaulding in 1930-31-32. Bob, 23, is married to the former Judy Berry and they have a daughter, Jill, 1½.

DANIEL E. "DAN" PETERSON—(UCLA '58)
Assistant

Named to the varsity staff last season when a vacancy appeared was Dan Peterson. Diminutive Dan,

rated by many experts as the outstanding football lineman pound-for-pound on the Pacific Coast during the 1957 season, worked with the linemen, especially the centers and linebackers, and returns in the same capacity this year.

Peterson himself was a superb center for the '57 Bruins. Dan, whose weight fluctuated between 158 and 163 while playing, made up for his lack of size by spirit, desire, savvy and great ability. He played for three years but reached his top form during his senior season. Dan also starred in Rugby for three years. He won the Los Angeles Bruin Club trophy as the 1957 Bruins' "most outstanding senior". He also won All-Coast honorable mention. The late Red Sanders said of Dan, "He calls defensive signals for the team as well as the coaches." His identical twin brother, Dave, wound up his three-year career as a Bruin blocking back last season.

Both Dan and Dave prepped at Santa Monica Hi where they both won All-Bay League and All-CIF honors. They are 23-years old. Dan is an eligible bachelor.

JAMES R. "JIM" DAWSON—(UCLA '59)
Assistant

In 1957 as a junior, Jim Dawson was UCLA's varsity football captain and one-half of the great Bruin tackle combination of Bill Leeka and Dawson. Last year as a senior, Jim started off as the team's alternate captain and starting tackle. But misfortune struck in the opening minutes of the first game with Pittsburgh and a shoulder injury sidelined him for the season. Soon afterwards, however, he received the break every young coach-to-be dreams about—he was added to the UCLA varsity coaching staff.

Dawson, displaying the same ability, aggressiveness and enthusiasm he had shown as a player, stepped in and did a fine job coaching the tackles last season. This year he continues in the same capacity on a permanent basis.

Even though bothered by injuries, Jim still rates as one of UCLA's top tackles. He won All-Coast honorable mention as a junior. As a sophomore in 1956, he immediately moved into a starting tackle spot and did an exceptional job, playing 327½ minutes or an average of nearly 33 minutes per game.

Jim prepped at Van Nuys (Calif.) High where he lettered three years as a T-quarterback and served as varsity captain. He's married to the former Colleen O'Sullivan and they have a son, Daniel 1.

JOHN W. "JOHNNY" HERMANN—(UCLA '56)
Freshman Coach

The latest addition to the varsity staff is Johnny Hermann, who was signed last January to take over for

Bob Bergdahl as the head frosh coach. Last season, he assisted Bergdahl with the Brubabes and, in 1957, he helped Johnny Johnson coach the yearlings. He also has a year of pro football behind him, having played as a defensive halfback for the Baltimore Colts in 1956. A kidney injury ended his pro career.

Hermann was a versatile UCLA gridder on the late Red Sanders' Pacific Coast Conference championship teams of 1953-54-55 which won 26 games while losing only four, including two tight Rose Bowl setbacks to Michigan State, 28-20 in 1954 and 17-14 in 1956. As a soph and junior, he performed capably as a wingback (right half) and then, as a senior, he was moved to end and turned in a fine job at the position in which had had won All-Los Angeles City honors at San Fernando (Calif.) High.

Johnny also starred in baseball and Rugby at UCLA. In fact, in both 1955 and 1956 he was picked on the All-California Intercollegiate Baseball Assn. second teams as an outfielder.

Like fellow coaches Johnson and Peterson, Hermann, 25, is still fancy-free, girls.

1958 Football Record: Won 6, Lost 1, Tied 2

UCLA all-time record against Purdue: W-1, L-0, T-0

Widest margin of victory for UCLA: 14 points (20-6 in 1950)

On paper the Boilermakers are one of the most impressive football teams in the country, with no less than 24 lettermen, including nine 1958 starters, returning to action for their first appearance in Los Angeles Coliseum. Tops is All-America candidate Bob Jarus, 199-pound linebusting fullback, who was Purdue's ace ground gainer with 396 yards in 115 carries for a 3.44 average last fall. The next four Purdue ball-packers also return, including starters Leonard Wilson, rh; and Joe Kulbacki, lh; plus T-quarterback Ross Fichtner, who completed 25 out of 67 passes for 414 yards and four touchdowns. Other proven backs are Right Half Clyde Washington and Fullback

Jack Laraway, who netted 457 yards between them last fall. The line that made Coach Jack Mollenkopf's team No. 2 nationally in defense and No. 10 in rushing last year is virtually intact. Five of the starting seven linemen return: Left End Dick Brooks (193), Left Tackle Jerry Beabout (214), Left Guard Emory Turner (219), Center Sam Joyner (206) and Right Guard Ron Maltony (204). Brooks was the "iron man" of the 1958 squad; Beabout was named "most improved player"; and Maltony won All-Conference honors as a sophomore. Right Tackle Dale Rems (218) and Right End Leonard Jardine (199) round out the Purdue front line to give it a 208-pound average with plenty of agility and hitting strength to make them another power in the Big 10. The Boilermakers, who utilize the Flanker-T and Belly Series, are expected to stick to the same alternate two-way substitution system employed so successfully by Mollenkopf last year.

Widest margin of victory for Pittsburgh: 21 points (27-6 in 1958)

Ivan Toncic, the T-formation tactician who piloted Pitt to a convincing win over UCLA last fall, will put a fine reputation on the line in going for All-America honors this fall. In running to a touchdown from the one-yard line and taking a 55-yard pass interception for another score, Toncic indicated that his two-year statistical record is no fluke. He has completed 68 out of 119 passes for a great .579 per cent, 1077 yards and nine touchdowns—and he's a fine runner who makes Coach John Michelosen's Split-End-Flanker-Back-T-Formation one of the toughest in the country. Two other backfield starters, Right Half Joe Scisly and Fullback Fred Riddle, also return, plus excellent replacements in Curt Plowman and Jim Cunningham. Scisly has a two-year yardage record of 618 in 139 carries; but Riddle, another "all" candidate, tops that with 717 yards in 181 tries. Andy Sepsi, a 187-pound senior left half could move in and be the real "ace" of the backfield. Mike Ditka (212), another seeker of national honors, Bob Rathi and Ron Delfine are the

three returning ends, but there are some outstanding sophomore prospects which should alleviate any problems here. Michelosen has four good tackles, including returnees and co-Captains Bill Lindner (215) and Ken Montanari (214), with Dick Milis (230) and Ernie Westwood (218) as replacements. Norton Seaman (200) and Henry Suffoletta (210), both 1958 second stringers, are top guard candidates, although strongman Larry Vignali (221) should see plenty of action. Serafino Fazio (209) is the only returning center, and soph Dick Matyus will be on the second unit. The Bruins will get a good look at their tough opponents on Friday, Sept. 25, when they play cross-town USC in Los Angeles during UCLA's weekend bye before heading East for the first appearance of Coach Bill Barnes' eleven in Pittsburgh.

Widest margin of victory for UCLA: 47 points (47-0 in 1955)

Widest margin of victory for California: 35 points (35-0 in 1950)

Pacing California's powerful split-T offense this season will be the leading scorer in the PCC last year Golden Bear Fullback Bill Patton. Patton, a 6-2, 192-pound junior who scored nine touchdowns and one PAT for 56 points, is only one of 23 lettermen back from the 1958 Cal Rose Bowl team. In this group is the entire first string line, including Guard Pete Domoto (202), Center Terry Jones (199), and Tackles Frank Sally (185) and Pat Newell (220). The addition of End Gael Barsotti (215), a transfer from San Diego State, will make the Bear line, which led the squad to the top spot in the conference in total and rush offense, even stronger. The Cal eleven ended up No. 7 nationally in rushing with a mighty 238-yards-a-game average. Behind the smashing Cal forward wall will be a backfield composed of some of the fastest backs

in the nation. In addition to Patton, Walt Arnold will also return at fullback. Bob Wills, Grover Garvin, Jack Yerman, John Blaylock, Wayne Crow and Steve Bates are back to fill the halfback spots. Wills, Blaylock, and Yerman have broken 10-flat in the hundred and Garvin is one of the quickest starting backs in the West. Running the Golden Bears from the quarterback slot will be Larry Parque (190) who indicated fine potential at the end of 1958. Coach Pete Elliott, who in his second season at the helm last year brought the Bears to Pasadena, will probably stick closely to his quarterback rollout series with keepers and pitchouts though there may be a few more variations this season.

Widest margin of victory for UCLA: 47 points (47-0 in 1957)

Quarterback Rich Mayo, who passed and ran the Falcons to an undefeated season and No. 8 National ranking, is back to pick up where he left off last year. Mayo, first in the country in touchdown passes with 11 scoring throws, fourth in the nation in passing with 1109-yards through the air and 15th in total offense as a sophomore, will be out for All-American honors this season. Last season Mayo had 98 completions in 174 attempts for a great 56.3 percentage. The Falcons have another All-American candidate in Guard Howard Bronson (185), the Air Force Captain for this season. Bronson and Mayo are just two of the 13 returning lettermen that made the Falcons the No. 6 squad in the nation in total offense with an amazing 360-yards-a-game average. Using Coach Ben Martin's double-wing-T formation the team was one of the highest scoring in the country with a 24.7 points a game average. Among the returnees from the powerful 1958 squad are End Bob Brickey (190) who was one of the top receivers in the nation with 25 snares for 281 yards and four TD's; Halfback Mike

Quinlan, nationally ranked in scoring with 48 points and the club's second top rusher with 405 yards in 80 attempts for an excellent 5.1 average; and George Pupich, a halfback who's known as the "Golden Toe" after kicking five field goals (one shy of the NCAA mark) last season, along with 12 PAT. One of the toughest defensive teams in the U.S., the Falcons led the nation in opponents' fumbles recovered with 27. One of the mainstays of the Air Force line is Guard Dan Johnson (178) who made the UCLA All-Opponent team in 1957. Behind Mayo at quarterback is John Kuenzel who completed 31 out of 51 passes for 289 yards, two TD's and a fine 60 percent completion average. Other returning backs are Phil Lane, who ran for 279 yards in 65 carries for a 4.3 average, and Jim Kerr who rambled 82 yards in 18 tries for a 4.6 average. Martin, awarded the "Coach of the Year" trophy by the Washington, D.C. Touchdown Club in his first season at the Academy, will probably add some flanker variations to his successful formation of last year.

Widest margin of victory for UCLA: 27 points (34-7 in 1947)

Widest margin of victory for Washington: 41 points (41-0 in 1940)

Losing only five men off the first two teams and having a total of 25 lettermen returning, Washington this year figures to have one of the most powerful defensive squads on the Pacific Coast. Last year with a starting lineup that included six sophomores, four of these in the line, the Huskies developed into an extremely tough defensive outfit late in the season. In fact, Washington led the nation in punt return defense allowing opponents only 106 yards in 33 runbacks for a 3.6 average. With a year of experience, Juniors Kurt Gegner (210) and Bill Kinnune (212) at tackles, Chuck Allen (205) at guard and Roy McKasson (185) at center, should be the anchormen for a tremendous forward wall. Offensively the Huskies

have a great quarterback in Bob Hivner. As a soph last season he moved into the starting position and ran Coach Jim Owens' split-T with the precision of a veteran signal caller. By the end of the year Hivner had amassed 835 yards passing and a running to finish No. 2 in the PCC in total offense. He was nationally ranked in the passing department completing 48 out of 115 for 587 yards, three TD's and a .417 percentage. Bob was fourth in the conference in scoring with six touchdowns for 36 points. Behind Hivner is another junior, Bob Schloredt. Schloredt was third in the PCC in punting with a 37 yards a kick average, completed seven out of 18 passes for a fine .389 average, gained 282 yards in 74 attempts for a 3.2 mark. Coming back this fall is Don Millich, the squad's best back in 1957, who sat out last year. Don gained 303 yards in 18 tries for a 4.7 average in '57. Don McKeta, who racked up 166 yards in 45 carries for a 3.5 average returns at the starting fullback slot. With the addition of Kelly Pickering and Gary Dasso, a couple of fine backs on the frosh squad of 1958, the Huskies should have another hard-running backfield as good as the one which finished second in the PCC in kickoff returns with a great 20 yards a play average on runbacks.

Stanford's aerial-minded Indians, out to make it three in a row over UCLA (if they do it they'll be the first team since Cal (1948-49-50) to defeat the Bruins three straight), will uncover one of finest collegiate passing games in the country this season. Paced by Quarterback Dick Norman, No. 8 in the nation in passing with 76 completions in 133 attempts for 717 yards and three TD's, and Ends Chris Burford and Irv Nikolai, third and seventh respectively in the country in receiving, the Tribe can be expected to pro-

duce one of the most wide open offenses ever seen in the collegiate ranks. Burford, the Indian captain, snatched 45 passes for 493 yards and two TD's while Nikolai grabbed 32 for 343 yards. Norman can run when he has to, as seen by No. 5 PCC ranking in the total offense department. Stanford, using Coach Jack Curtice's pro-type T-formation, was No. 7 in the country in team passing with 164 completions in 305 attempts for an excellent .538 percentage and a 158.1 yards a game average. Important for a successful passing attack is a good running game, and the Indians have this too. One of the 14 returning lettermen from 1958 is the Tribe's leading scorer, Skip Face. Face, a speedy halfback and the squad's ace place kicker, scored 29 points and was one of leading rushers with 122 yards in 30 carires for a 3.87 average. Backing up quarterback Norman will be another letter winner, Sid Garber, who completed 10 out of 24 and ran for 108 yards in 24 tries in the little action he saw. Also back this year is the team's No. 1 rusher, percentagewise, Rick McMillan. Rick, who sat out the last part of 1958 with an injury, piled up 239 yards in 40 cracks for a flashy 5.82 average. McMillan alone gained 185 yards last year against Washington. Up front the Indians have a veteran line composed of Dean Hinshaw (231) and Gary Pike (234) at tackles, Ron Fernades (197) and Larry Lacey (201) at guards and Doug Pursell (221) at center. In his second year at Stanford Coach Curtice will probably stick close to his wide-open pro-type T.

UCLA all-time record against North Carolina State: First meeting in history

When UCLA hosts the Wolfpack in the Coliseum the Bruins figure to be running up against one of the toughest college lines in the nation. The starting forward wall averages a mighty 215 pounds per man from end to end. Monstrous 6-5, 262-pound, 25-year-old Right Tackle Dick Reynolds is the key to the powerful State line. Other king-sized gridders in the starting line include End George Vollmar (211), Tackle Kelley Minyard (218) and Guard Alex Gilleskie (217). Up for sectional honors this season is one of the smallest of the starting linemen, Center Paul Balonick, who

weighs in at "only" 198 pounds. Quarterbacking Coach Earle Edwards' multiple offense formation this year is one of the brightest prospects ever to wear a State uniform. He's a 19-year-old, 6-2, 219-pound sophomore named Roman Gabriel. Although he hasn't played a minute of varsity ball, off his fine showing as a frosh and in spring practice he's being touted as one of the top signal callers in the south. Roman is a great passer and has "outstanding ability" according to Coach Edwards. Along with Gabriel the Wolfpack will have two starters and an experienced letterman in the backfield. Arnold Nelson (201) a driving fullback and halfback Ron Podwika were starters last season on the club that beat North Carolina for the third consecutive year. Halfback Bernie Latusick saw a lot of action at the left half slot. Last year State was one of the top defensive clubs in the south and ranked third nationally in kick off return defense holding opposing teams to a 13.9 yard average runback. With hard running and excellent passing Coach Edwards' combination of the T and single wing formations may do a lot of rolling this season.

With Don Clark entering into his third year as head coach it looks like Southern Cal has by far the best club during Clark's sojourn. The Trojans are loaded in both backfield and line with returning lettermen and great prospects up from the 1958 freshman team. Six starters and a part-time regular return to bolster the Troy hopes. Up front SC has four starting linemen coming back, including Ends George Van Vliet (195) and Marlin McKeever (215), All-Coast Tackle Dan Ficca (230) and Guard Mike McKeever (215); all are juniors. Center Bob Edwards (200), Guard Roger Mietz and Tackle Ron Mix (215) are all letter-

men and should give the Trojans one of the finest lines on the Coast. From end to end the Trojan forwards average a whopping 215 pounds. And behind this tremendous line Southern Cal has one of the fastest backfields in the West. Led by Quarterback Willie Wood, who ran Coach Clark's multiple-T wth precision last season before suffering a shoulder injury, SC has a quick, score-from-anywhere offense. As last season, when the Trojans with Wood doing the throwing, stunned opponents with long scoring passes, SC will be dangerous from any spot on the gridiron. Angelo Coia, who started several games, and starting Fullback Clark Holden also return. Coia, a 9.5 dash man, is murder if he gets around the corner. SC also has Jerry Traynham (190) who performed extremely well in the 1958 Bruin-Trojan contest. Lynn Gaskill and Alan Shields, up from last season's frosh, are both sprinters on the Troy track team. With these speedsters Southern Cal should once again have an offensive machine like last year's which was nationally ranked with a 204.1 yards a game rushing average. SC also was No. 10 in the nation in kickoff returns. And returning this year is mighty Luther Hayes the giant end who ran a kickoff back 74 yards for a TD last season against UCLA. This is the year the Trojan pro-type multiple-T might "come of age."

Led by All-Conference Halfback Larry Wilson, the Utes bring back another former UCLA coach to haunt the Bruins. Ray Nagel, who did his playing and much of his assistant coaching at Westwood before taking over the headman spot at Utah, will bring his flashy multiple-T offense club into the Coliseum for what promises to be a great offensive struggle. Wilson (190), who is being boomed for All-American honors this fall, is only one of 21 Ute lettermen returning from the 1958 squad. This "do-everything" gridder ranked No. 14 in the nation in kickoff returns, a 23.8 yards a kick runback average, gained 489 yards in 81

carries for an amazing 6.3 average and grabbed 13 passes for 265 yards. Nagel's three other top ball-carriers from last season are also returning. Stan Uyeshiro (150), a small but powerful runner, gained 113 yards in 21 carries for a 5.3 average, Monk Bailey (180) ground out 564 yards in 113 tries for a 4.9 mark, and Lee Johnston (195) rambled 139 yards in 31 cracks for a 4.4 average. Running the squad from the quarterback position will be Ken Vierra (185) who performed expertly last season. Up front the Redskins have a veteran line that includes four starters from 1958, Tackles Bob Coogan (207) and Ken Petersen (215), and Guards Bob Migliaccio (215) and Garth Rohde (210). With another strong forward wall the Utes should again field a tough offensive eleven such as last year's which compiled a 273 yards a game average in the total offense column. The Ute passing attack was one of the most accurate in the country with only seven tosses being intercepted in 175 attempts, to rank the club No. 3 in the nation in interception avoidance. This year with an excellent running game and another fine passing club Nagel's multiple-T should have the Utah opponents guessing on every call.

Syracuse Coach "Ben" Schwartzwalder figures to have another powerhouse such as last season's squad which won eight out of nine regular season games (the only loss was by one-point to Holy Cross). The veteran mentor has 24 returning letter winners, including seven starters, from a team that placed high nationally in almost every statistic. The Orangemen were second in the country in scoring with a 29.3 points a game average, 13th in rushing with a 222.1 yards a game mark, 15th in total offense with 325 yards a game, fifth in rush defense, No. 14 in total defense, No. 6 in punting, second in pass interception avoidance (only five intercepted in 131 attempts), seventh in scoring defense allowing only 6.6 points a game and

seventh in kickoff returns. The big trouble, as far as Syracuse opponents are concerned, is that the club should improve over last year. Leading the way for Schwartzwalder's unbalanced-line T-formation is Halfback Gerhard Schwedes (187), the team's top ground gainer and receiver last season. Also returning is Dave Baker (187), a speedy end who is a top-flight receiver. He grabbed 10 tosses for 231 yards last fall. Another Baker, Fullback Art, a 191 pound line plunger, averaged 4.7 yards a carry at the power position. A couple of guys named Davis, senior Guard Rog and soph Halfback Ernie (they're unrelated) are being counted on as two of the top Syracuse gridders. Roger, 6-3, 217 pounds, is being boomed for All-American honors while Ernie, 6-2, 205 pounds, is being touted as one of the hottest runners in Syracuse history after a fabulous frosh season. All in all it seems like nothing but trouble, anywhere you look, for Syracuse's opponents this fall.

RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

DEAN BRENTON BETTS—Junior; one-year letterman; played 95 minutes last fall. Missed spring practice entirely because of knee operation. However, figures to be ready this fall. CHARLES GARY (CHUCK) HICKS—Sophomore; one-year "Redshirt" squadman who didn't see action last year; 1957 freshman letter winner. One of spring practice's most pleasant surprises. He's quick and strong looks like the same type of aggressive lineman as Esker Harris, former Bruin guard great. Incidentally, Hicks and Harris both hail from Memphis, Tenn., and prepped at same high school there. Hicks is a potentially fine tackle. Lettered three years each in football and basketball at Melrose Hi in Memphis. Won All-State honors in football under Coach Joe Westbrooks. Chemistry major.

TONY JAY LONGO—Junior; one-year letterman; played 100½ minutes last year. Off play last year before he was hurt (elbow injury) and missed last three games, here could be a fine performer. PAUL WILLIAM OGLESBY—Senior; two-year letterman; played 273½ minutes last year, fourth highest total among returning juniors, and 99½ minutes in 1957. A king-sized lineman (6-4, 228), he could be a truly standout performer. He has everything to be outstanding—size, strength and speed—but needs to become more aggressive. He showed his potential in final game of season against SC last year when he played 50 minutes and did a great job. Started 3 games last year, against Stanford, California and SC. Also had good final week of spring practice and should be ready for big senior year. Has also lettered two years in Rugby at UCLA. Won All-America JC honorable mention in 1956 at Riverside (Calif.) RIGHT END (ALSO RIGHT END ON DEFENSE)

QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

Here is a real comer. Lettered in football and track at Narbonne Hi in Wilmington, Calif. Won All-City back honors in 1956 under Coach Gordon Wells. Also was football and track captain. Physical Education major. Phi Kappa Psi fraternity.

GARY FREDERICK KOEHLER—Sophomore; freshman letter winner last year as the starting blocking back. Green but aggressive in spring practice and shows promise. Lettered three years in football and basketball and four years in baseball at Burroughs Hi in China Lake, Calif. Was all-league fullback three straight years under Coach Rod O'Meara, ex-Bruin. Also served as football and baseball captain and president of the Lettermen's Club. Mathematics major. Phi Gamma Delta fraternity.

MICHAEL JOHN (MIKE) PETERSON—Sophomore; freshman letter winner last year. Like other sophs needs a lot of experience but looks like a good prospect. Lettered three years in football at Gardena (Calif.) Hi under Coach Stan Smith. Also lettered four years in gymnastics. All-Marine League in both football and gymnastics. Was also football captain and president of the Boys League. Pre-Medical major. Sigma Pi fraternity.

ARTHUR WILLIAM (ART) PHILLIPS—Senior; two-year letterman; played 219 minutes last year and 83½ minutes in 1957. Won the Captain Don Brown Memorial Trophy as team's "most improved player" last year. Needs only to become more consistent and

play up to his peak every game to be a fine starting blocking back. Top game was against SC when he saw 48½ minutes of action after coming in for injured Dave Peterson early in first quarter. Has great natural blocking ability. Statistically, he caught 4 passes for 60 yards, including a 42-yard TD pass play, "The longest of season" for Bruins, against Stanford; intercepted 1 pass for 0 yards; and returned 1 kickoff for 12 yards. In 1957, he caught 3 passes for 44 yards. Lettered one year in football at Santa Monica (Calif.) CC before transfering to UCLA. Lettered three years in football, two years in basketball and one year in track during prep career, first two years (1952 and 1953) at University Hi in Los Angeles and last year at Santa Monica Hi. His last prep coach was Bob Stilwell at Santa Monica Hi. Physical Education major.

ROBERT ALAN (BOB) STEVENS — Sophomore; one-year "Redshirt" squadman who didn't see action last year. Aggressive but inexperienced, he showed encouraging progress during spring practice. Lettered one year in football at Santa Monica (Calif.) City College before transfering to UCLA. Lettered three years in football and two years in track at Venice (Calif.) Hi. Won All-City and All-Western League first team grid honors in 1956 under Coach Grayson Turney. Mathematics major.

LEFT HALFBACK OR TAILBACK (SAFETY ON THE DEFENSE)

WILLIAM ORLAND (BILL) KILMER—Junior; one-year letterman; played 90½ minutes last year. Although he missed six straight games (the fourth through the ninth) last season because of a cracked wrist, he showed tremendous potential and is being tabbed "another Paul Cameron." In fact, he gave as good a tailback performance in the games he played last season as any sophomore in Westwood history. "Wild Bill" demonstrated in spring practice that his wrist is okay and that he's going to be one of the most electrifying triple-threat backs on the Coast this fall. Despite missing six games completely and playing 7 minutes in another, "Wild Bill" wound up third behind teammate Fullback Ray Smith, the top team ground-gainer, and only two yards behind Tailback Skip Smith, the No. 2 rusher. His rushing figures are 50 carries for 195 net yards and a 3.91 average. He scored one TD (against Pitt) and ran for a two-point conversion (against SC) for 8 points. He completed 4 of 25 passes for 93 yards and punted 13 times for 515 yards and a fine 39.6 average. Other 1958 stats: returned 2 kickoffs for 29 yards and 1 punt for 8 yards and intercepted 1 pass for 9 yards. Threw UCLA's "longest pass play that didn't score"—58 yards, to Marv Luster—against Pitt last year. He started one game, against SC. A

"natural" runner with outstanding change-of-pace and quick moves, he runs the famed single wing run-pass option plays the way every coach dreams about them. He patterned his running after 1953 All-America Tailback Paul Cameron—but Kilmer may even surpass that famed Bruin if he lives up to the promise he showed last fall and this spring. In 1957 he won All-America Junior College second team grid honors at Citrus (Calif.) JC. He also starred in basketball and baseball—and hopes to compete in these sports before he winds up his UCLA career. Also won three letters each in football, basketball and baseball at Citrus Hi in Azusa, Calif. Won Tri-County League and All-CIF Small Schools second team grid honors under Coach Reis Hubbard. However, he was even more spectacular in basketball and baseball. As a shortstop and centerfielder, he led Citrus Hi to the CIF Small Schools title by hitting .525 in his senior year. He was voted the All-CIF Small Schools' basketball "Player-of-the Year" for the 1956-57 season by scoring 900 points in 30 games to break Jerry Pimm's Small Schools record of 861 points in 32 games. Physical Education major. Phi Gamma Delta fraternity.

DEAN ARTHUR MOORE—Sophomore; one-year "Redshirt" squadman who didn't see action last year; 1957 freshman letter winner. He gave a good account of himself as a runner, passer and punter during spring practice and shows much promise. Has good speed. Gives added depth to this key position. Lettered three times each in football and basketball and four times in tennis at Redondo (Calif.) Union Hi. Won 1955-56 All-Bay League back honors and '56 All-CIF second team honors under Coach Bob Cardona. Pre-Medical student. Beta Theta Pi fraternity.

NATHAN DeLYNN (SKIP) SMITH—Senior; one-year letterman; played 83½ minutes. Was a reserve fullback for first six games last season before being switched to tailback. Flashed great potential in his first game at tailback (against Washington State) when he ran for 135 net yards and one TD. Combining speed and power, he can run with Kilmer and Bobby Smith but must improve his passing to be an all-around tailback. He showed marked improvement in passing this spring. His 1958 stats: carried ball 51 times for 197 net yards and a 3.86 average to rank second only to Fullback Ray Smith in rushing; threw 5 passes but didn't complete any; scored 2 TDs and ran for a two-point conversion for 14 points to rank third; caught one pass for a loss of 2 yards; and returned one kick-off for 22 yards. Won All-PCC honorable mention as a back last year. Sat out 1957 season after transferring from University of Nebraska which he attended only two weeks as a freshman. Has starred in Rugby at UCLA three years. Lettered three years in football and two years in track at Torrance (Calif.) Hi. Was

football captain and All-Bay League "Player-of-the-Year" in 1956. Physical Education major. Phi Delta Theta fraternity.

BOBBY LEE SMITH—Sophomore; one-year "Redshirt" squadman who didn't see action last year. Was probably the biggest surprise of spring practice. Was moved from wingback to tailback at start of off-season drills and impressed with his running, passing and defensive play at safety. Has tremendous speed. In fact, he competed on the track team this spring as a broad jumper (23-11½) and sprinter (9.9). A tailback to watch in '59. Lettered one year in football and track at Compton (Calif.) College. Won 1957 All-Western State Conference JC first team and All-America JC honorable mention. Lettered three years each in football, basketball and track at Compton Hi. Won All-Coast League honors in both football and basketball and also All-CIF acclaim in football under Coach Gordon Orr. Physical Education major.

RIGHT HALFBACK OR WINGBACK
(LEFT HALF ON DEFENSE)

EUGENE C. (GENE) GAINES—Junior; one-year letterman; played 236 minutes at fullback last year, topped by a 52-minute stint against Illinois when Ray Smith was injured. He was second only to Center Harry Baldwin in minutes played by a sophomore. Moved to wingman at start of spring practice and impressed as being a fine all-around performer, both offensively and defensively, at this new position. With added experience, he could develop into one of the best wingbacks in Bruin history. Without benefit of spring practice last year, he came through as a fine No. 2 fullback behind Ray Smith. Started one game, against Illinois. He not only hits hard but also has fine speed. In fact, he has been clocked in 9.8 and 21.9 in the sprints and, this spring, he competed in a few track meets and had a best of 23-2¼ in the broad jump and 6-0 in the high jump. His 1958 stats: carried ball 46 times for 160 net yards and a 3.48 average; scored one TD for 6 points; caught 4 passes for 32 yards; returned 2 kickoffs for 27 yards and intercepted one pass for 15 yards. Lettered in football and track at East Los Angeles JC. Voted ELAJC's "Most Valuable Player" for 1957 and also was named on the All-Metropolitan Conference JC first team. Lettered in football and track at Jordan Hi in Los Angeles. Was 1956 All-City second team under Coach Dave Williams, former UCLA fullback. Also served as student body president and football captain at Jordan Hi. Physical Education major.

JAMES EARL (JIM) JOHNSON—Junior; one-year letterman; played 56½ minutes at end last year. This younger brother of UCLA's famed Rafer Johnson, world record-holder in the decathlon, was moved to wingback at the start of spring practice and, like

Gaines, impressed greatly at his new position. In fact, he and Gaines appear to have equal potential and figure to wage a red-hot battle for starting honors with Gaines having slight pre-season edge because of greater experience. With his speed, height (6-2) and all-around athletic prowess, he should be a fine pass receiver, and also pass defender. Last year, however, he didn't catch a pass but did carry on 3 end-around plays for 21 yards. Considering he played without benefit of spring practice last year, he did a good job as reserve end. He was UCLA's top broad jumper this spring, with a best of 24-9¾ (PCC Champion), and also ran the high hurdles, with a best of 14.4. Won the Harry Trotter Memorial Award for the "Most Outstanding Performance" (his PCC broad jump), as voted by his fellow lettermen. Lettered in football, track and basketball in his one year at Santa Monica (Calif.) City College. Voted SMCC's "Athlete-of-the-Year" for 1957-58 and also named on the 1957 All-Metropolitan Conference JC second team. Also placed first in the Southern California JC high hurdles, with a best of 14.3, and second in the broad jump, with a best of 23-11¾. Also lettered three years each in football, track and basketball at Kingsburg (Calif.) Hi. Served as captain of all three teams and as president of the sophomore class. Physical Education major. Pi Lambda Phi fraternity.

JOE P. ROSENKRANS—Sophomore; a transfer from Santa Monica (Calif.) City College where he lettered in football and baseball. Has 3 years of eligibility left. Came out of nowhere during spring practice to attract considerable attention, especially his vicious tackling. He's now rated a comer at this position. Lettered two years in football, four years in baseball and two years in basketball at Beverly Hills (Calif.) Hi. Played football under Coach Joe Sabol, former UCLA wingback. Physical Education major.

FREDERIC HOWARD (FRED) ZINGLER—Sophomore; ineligible last year; 1957 freshman letter winner as starting wingback. Also lettered in frosh basketball. Has outstanding natural ability and figures to help. Couldn't take part in rough work this spring because of shoulder injury. Lettered three years in football and also in basketball, baseball and track at Corona (Calif.) Hi. Won all-league honors in football under Coach Max Diamond and also all-league acclaim in basketball and baseball. Physical Education major. Phi Gamma Delta fraternity.

FULLBACK (RIGHT HALF ON DEFENSE)

RAYMOND EARL (RAY) SMITH—Senior; two-year letterman; played 347 minutes, third most playing time on team, last year and 221½ minutes in 1957. Started every game last year, except against Illinois when he was injured. Most honored of any returning Bruin. Named on the All-PCC second team and won

AP and UPI All-Coast honorable mention. Won the Paul I. Wellman Award as the team's "best blocker and tackler." This season should be an outstanding candidate for national honors. Looked better than ever in spring practice. Being compared to the great Bob Davenport, UCLA's two-time All-America fullback (1954-55). Like Davenport, he's outstanding in every aspect of single wing fullback play. His eight-yard blast through Oregon last year was the Bruins' longest running play for a TD during 1958. This spring, he also played third base for the Bruin baseball team. Statistically, he led the 1958 Bruins in rushing with 307 yards in 79 carries. He didn't lose a single yard all season and had a fine 3.89 average. Third highest scorer with 14 points on 2 TD's and a conversion. As a soph in 1957, he netted 227 yards on 58 carries for a 3.92 average. So his impressive two-year rushing stats now read: 534 net yards on 137 carries for a 3.90 average. History of UCLA

MOST American universities date back many ivy-covered years and some, like William and Mary or Harvard, trace their antecedents to Revolutionary times. But the University of California, Los Angeles (UCLA for short), is only 40 years old. Its 400-acre campus, set against the Santa Monica Mountains with the blue Pacific in the background, is even newer.

UCLA was founded in 1919 as the "Southern Branch" of the University of California and officially re-named in 1927. Originally it occupied a site on Vermont Avenue but in 1929 moved to its present home in Westwood Hills. What had been a lonely bean field dotted with live oaks and sycamore, is now a busy center of study and research, extra-curricular student activities and bustling construction.

Despite high entrance requirements (which only about 15 per cent of high school graduates can meet), its enrollment has mushroomed to more than 16,700 students—making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the eight campuses of the state university, which is headed by President Clark Kerr.

Raymond B. Allen is Chancellor at UCLA. He heads a faculty of 1906 and a staff of 4300.

In contrast to older American universities which have been building for a century or more, UCLA

erected its physical plant during a single generation. Its post-war buildings are constructed of the same materials and share the same architectural feelings as the older buildings.

While physical expansion is the most astonishing single fact about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

In the field of science, UCLA is one of the leading centers in the world for the study of acoustical physics and physical organic chemistry. It is one of seven universities in the United States that trains meteorologists for the Army, Navy and Air Force. Its College of Engineering carries on significant studies in aeronautics, ceramics, heat transfer, traffic and transportation, smog and other fields. UCLA's department of astronomy offers the only rocket navigation curriculum in the world. Its College of Agriculture draws students from all over the globe to study subtropical horticulture and floriculture. UCLA's Medical Center, completed in 1954, at a cost of $22,000,000, is expected to set the pattern for the Atomic Age.

In the humanities, UCLA has a distinguished record also. Its School of Business Administration, established in 1954, now attracts 1,500 students and is one of the finest in the country. Construction was recently completed on the Western Data Processing Center, the world's first university computer center devoted primarily to the study of complicated business management problems. Made possible by a grant from IBM, it will be a part of the Graduate School of Business Administration. Its Law School boasts the largest enrollment on the Pacific Coast. UCLA's Library ranks 16th in size on a national scale. The Department of Theater Arts combining drama, television and motion pictures, is one of the most outstanding in the United States.

DR. RAYMOND B. ALLEN
UCLA Chancellor

Dr. Raymond B. Allen came to UCLA in 1952 and was its first chief administrator to bear the title of Chancellor.

After receiving an M.D. at the University of Minnesota in 1928, Chancellor Allen began his career as a physician and surgeon in North Dakota. In 1934 he received his Ph.D. in surgical urology from the Mayo Foundation Division of the University of Minnesota's Graduate Division. After that he held a series of medical deanship posts at Columbia University, Wayne University, and the University of Illinois.

In 1946 the University of Washington was looking

for a president to direct its postwar expansion program and it sent for Dr. Allen. He served there with distinction until he was called to government service as Director of the Psychological Strategy Board in Washington, D. C., a top-secret cold war agency. He was in Washington when the University of California Regents, following a year's intensive search for the right man, asked him to assume the duties as Chancellor of UCLA. ministration to survey that country's system of higher education.

Now in his seventh year at UCLA, Dr. Allen has shown himself to be both an outstanding leader and administrator. His accomplishments in that brief space of time have won for him the warm respect and effection of students, faculty and alumni alike.

He has served on a number of local, state and national boards, and last spring headed up a 10-man team in Indonesia for the International Cooperation Administration to survey that country's system of higher education.

WILBUR C. JOHNS (UCLA '25)

Director of Athletics

Wilbur Johns is now in his 13th year as UCLA's athletic director. The Bruins' athletic program has grown and prospered under his leadership. He is highly respected in NCAA circles and has served the national collegiate body in several important capacities, including current membership on the NCAA Public Relations Committee. He participated in the formation of the articles governing the new Athletic Association of Western Universities.

Wilbur was duly recognized for his service to his Alma Mater by receiving the coveted UCLA "Alumnus-of-the-year Award" in 1955.

He was head Bruin basketball coach for nine seasons (1940-48), with his teams winning the 1945 and 1947 PCC Southern Division titles. He previously served at UCLA as Caddy Works' assistant varsity and head frosh cage coach following his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

Wilbur prepped at Glendale (Calif.) High where he starred in basketball, baseball and tennis. A broken arm in two successive football seasons made him forego the grid sport.

He is married to the former Idele Robelen and they have a daughter, Peggy, and a husky young son, Mike, 10. Wilbur is also the proud grandfather of Dennis, 5, and Jennifer, 2½, his daughter's children.

Listed below are the 17 UCLA athletic teams under Johns' direction, with the head coach of each sport listed in parenthesis: Baseball (Art Reichle), Basketball (John Wooden), Crew (Bob Schaeffer), Cricket

DR. BRADFORD A. BOOTH

Faculty Athletic Representative

UCLA goes into its new era of athletics under the banner of the AAWU with Dr. Bradford A. Booth, professor of English and an ardent supporter of intercollegiate athletics, continuing in his role of faculty athletic representative. This is his second official year in this capacity, an appointive position by Chancellor Allen. Dr. Booth succeeded Dr. Joseph Kaplan, Physics professor, and actually carried on for Dr. Kaplan in 1957.

"I've missed only one home football game in the 23 years I've een at UCLA," says Dr. Booth, "and I wouldn't have missed that game if I hadn't been out of state."

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum. Dr. Booth is the author of many books in the field of Victorian literature, including "Anthony Trollope: Aspects of His Life and Art." He is editor of the scholarly journal, "Nineteenth-Century Fiction," and is currently preparing a five-volume edition of "The Letters of Robert Louis Stevenson."

Dr. Booth's first teaching job was at the University of Tennessee where he taught English for one year before coming to UCLA in 1936.

Though he enjoys watching all Bruin sports, he is an active participant in tennis and golf. He holds the distinction of being the only male in his family, being happily surrounded by his wife, Josephine, and his three daughters, Barbara, 17, Celia, 14, and Carol, 9.
